Here is the document - it is a final draft since we have not approved yet. Please to no release to the public. I am in a tight deadline, if you have comments I need them by the end of the week.  
Thanks,

Thanks for following up Nuria. I'll take a look at the draft.

If you are trying to set up the meeting for Monday the 27<sup>th</sup>, my calendar shows that I'm out of the office. I will be returning on Wednesday.

Hi Shilpa: Following up on our discussions about JCI Tyco.

I spoke with Judy Fassbender last week and told her that we are proposing to my managers moving forward with Superfund evaluation on the JCI Tyco FTC but not the Stanton St. Facility. The Stanton St. facility is under a RCRA corrective action – the site shows as referred to RCRA in our database and is “technically” not eligible for further NPL evaluation – unless it is referred back to Superfund. Judy seemed to agree with the decision – She proposed checking in with you this Monday - I will send an invite for 10 am – you and Joe seem to be available.

Meanwhile I will write it up a letter to the petitions for my DD’s signature – I would like to add a contact name or the Stanton St facility to the letter – would that be you for the moment? I can share a draft of the letter with you. Would you like to see the draft document?
